Dear Mr. Casey:

This is to thank you again on behalf of Scholastic Update and myself for the very fine interview you gave to Maura Christopher, Associate Editor of Update.

The wide readership of Update among both students and faculties will be much impressed, I feel sure, by your candid and logical responses to our questions.

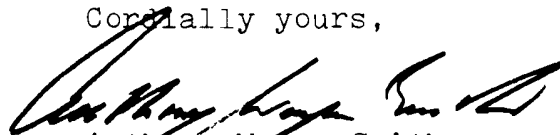

We also appreciated the many little courtesies shown us by your secretaries and Mr. Lauder, whom we were delighted to have present.

Our New York office will be in touch with your staff, of course, as we get our issue about the intelligence community on the rails, but I wanted to add this personal note of appreciation for your generosity with your time.

It was also a great pleasure to meet another old friend of Bill Donovan, even though after so many years.

With best wishes,

Cordially yours,

Anthony Wayne Smith
